## 4.2 PROVISIONS FOR CREDITORS HOLDING SECURED CLAIMS.

4.2.1 **Modification of rights of holders of secured claims.** To each of the following named creditors, the full value of the allowed secured claim held shall be paid, provided a timely allowed claim is filed. Each creditor holding an allowed secured claim shall retain its lien on the collateral securing that claim until the allowed secured value has been paid, at which time the lien shall be released. The allowed secured value is defined as the lesser of the amount of a creditor's claim or the market value of the creditor's collateral, as set forth in this plan. The allowed secured value shall be amortized at the rate of interest (simple interest, direct reducing), in equal monthly installments over the term of the plan, unless otherwise provided. No pre-confirmation interest shall be paid, unless otherwise provided. Any portion of the debt owed to a creditor in excess of the allowed value of the collateral will be treated in this plan as an unsecured claim. Unless otherwise ordered by the court, payments shall commence upon filing of an allowable claim and pursuant to the terms of the order of confirmation of the plan.

### Check one

- " The secured creditor's lien shall be released, void of any further effect, including void of any further security interest, upon completion of all payments required under the Chapter 13 Plan.
- " The secured creditor's lien shall be released, void of any further effect, including void of any further security interest, upon payment of the allowed value of the secured claim.

The projected total payments constitute the debtor's best estimate of the total of all payments made to the secured creditor on the secured portion of such creditor's claims. At the discretion of the trustee, allowed secured values of \$500 or less may have payment accelerated.

Secured creditors' rights and claims will be modified in accordance with the values and terms provided for herein by debtor. An order valuing the secured portion of a claim, at less than the total amount of the claim, voids the creditor's lien to the extent of the unsecured portion of the claim.

The debtor hereby MOVES the court for an order so fixing the value of the collateral as follows:

CREDITOR	DESCRIPTION OF COLLATERAL	ALLOWED SECURED VALUE	RATE OF INTEREST	PROJECTED TOTAL PAYMENTS

If a secured creditor objects to this provision, debtor will ask the court, at the hearing on confirmation, to confirm the plan over the creditor's objection, pursuant to 11 U.S.C. sec. 1325(a)(5)(B). In the event that any such secured creditor fails to timely file a secured claim, a late filed claim shall be allowed for purposes of distributing payments for the secured portion of its claim. In the event that the creditor's late filed claim has an unsecured portion in its proof of claim, no distribution shall be allowed for the unsecured portion of the claim.

**4.2.2 Curing of Default in Long Term Secured Claims.** To each of the below named creditors, the debtor does not propose to pay, in full, their allowed secured claim during the term of this plan. Each creditor shall retain its lien on the collateral securing the claim until the allowed secured claim is paid in full. The debtor will continue the regular monthly contract payments outside of the plan. Each post-petition payment shall be paid by debtor as it comes due. The initial payment shall commence on the first full month following the filing of this bankruptcy by debtor. The periodic payments under this plan, shall be applied by creditor to the earliest payment for which a portion of the payment is due. Payments shall commence upon filing of an allowable claim and pursuant to the terms of the order of confirmation of the plan. Unless otherwise provided, the frequency of payments shall be in approximate equal monthly amounts, during the term of the plan. The total in default provided hereinafter represents the debtor's projection of the total amount necessary to cure the default. In the event that the creditor's allowed claim provides otherwise, the allowed claim shall control. Each creditor shall further be entitled to receive interest on their claim, as allowed by law. Such interest rate shall be the non-default contract rate of interest provided in the promissory note between each creditor and debtor.
